REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

With respect to claim 1, while the prior art of record discloses all other limitations, it does not disclose the limitation of a channel assignment message including a sequence number or a message identifier for identifying two or more channel assignment messages in combination with all other limitations of the claim. For similar reasons, claims 9, 17, and 27 are allowable over the prior art of record. Claims 2-8, 10-16, 18-26, and 28-35 are allowable as they are dependent on one of the independent claims discussed above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert C. Scheibel whose telephone number is 571-272-3169. The examiner can normally be reached on Monday and Thursday from 7:00-5:30 Eastern Time.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Seema S. Rao can be reached on 571-272-3174. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
